

DTL-HSE-POL-0004

Environmental Policy

DTL Health & Safety Management System

Doc No: DTL-HSE-POL-0004 **Version:** 1.0 — Apr 2026 **Review:** Apr 2027 **Owner:** Annelize Van Tonder

Purpose: States DTL's commitment to minimising the environmental impact of its operations.

Policy Statement

DTL is committed to protecting the environment and preventing pollution across its dewatering, pipeline, civil and water-management activities.

Our Commitment

DTL (WA) Pty Ltd is committed to:

- comply with environmental legislation, approvals and licence conditions;
- prevent pollution and manage spills, waste and emissions responsibly;
- use water, energy and materials efficiently;
- protect land, waterways and biodiversity where we work;
- respond to environmental incidents promptly and learn from them;
- continually improve our environmental performance.

Responsibilities

- **Management** — provide leadership, resources and a safe system of work, and set and review objectives.
- **Supervisors** — implement this policy, ensure controls are in place and consult their teams.
- **Workers & contractors** — take reasonable care, follow procedures, use controls provided and report hazards, incidents and concerns.

Authorisation

This policy is endorsed by DTL management and applies to all workers, contractors and visitors. It will be reviewed annually or on significant change.
